KEY SKILLS

- **Programming Languages:** Java, Python, SQL
- **Front-End Technologies:** HTML, CSS, JavaScript, ReactJS, Bootstrap, WordPress
- **Back-End Technologies:** PHP, Node.js
- **Databases:** MySQL
- **Tools:** Git, AWS, Figma, Canva, Photoshop
- **Soft Skills:** Creativity, Collaboration, Time Management, Communication

ACADEMIC PROJECTS

- **“Vinetra Parijana” — A Smart Cane & Smart Glass**

Created a prototype for assistive devices to help visually impaired people navigate more easily:

- **Smart Cane:** Can detect obstacles, recognize stairs, and identify water bodies.
- **Smart Glasses:** Can read text aloud, recognize Indian currency, and identify family members using facial recognition.

Both devices also allow family members to assist remotely.

- **“AGRIO” — Android Application for Farmgate Sales**

Introducing Agrio, the ultimate app for all your agriculture needs! With Agrio, you can easily browse and buy a wide range of agricultural items—from seeds and farm equipment to livestock—right from your mobile device. The app features a user-friendly interface with various categories, allowing you to filter search results by price, location, and brand to find the best deals and highest quality products.

- **“Best Buy Gadgets” — E-Commerce Website**

Online shopping allows consumers to buy goods or services directly from sellers over the Internet in real-time, without intermediaries. This project aims to bring the benefits of online shopping to physical store customers. By using an Android device, customers can browse and purchase products from their favorite shop online, and enjoy home delivery, combining the convenience of online shopping with the personal touch of their preferred store.

CERTIFICATIONS

- AWS Certification by Amazon Cloud Practitioner
- NPTEL Soft Skills and Programming in Python
- Responsive Web Design by Freedcamp
- HTML, CSS, JS, GIT Essential Training by LinkedIn.

INTERNSHIP

- Full Stack Developer Intern at **Sanjeev Tech Solution** – 5 months
- Internship on Full Stack Web Development and Android Development at **AMSA Tech**

EDUCATION

Course	Institution	Year	Grade
B. E	SKSVMACET, Laxmeshwar	2023	7.8 CGPA
P.U.C	Nandi PU College, Bellary	2019	62%
S.S.L.C	Nandi International School, CBSE	2017	6.8 CGPA

ACHIEVEMENTS & ACTIVITIES

- Project selected for the **“Student Project Programmed - 46th series KSCST”**.
- 1st prize in **“ILLUMANTI,”** A National Level paper presentation.
- 1st prize in **“Poster Design Competition,”** A College level Competition.
- Published a research paper on **“Vinetra Parijana,”** in the International Journal of Scientific Research in Computer Science, Engineering, and IT (**IJSRCSEIT**), May-2023.
- Participated in **“CODEFIESTA 2.0,”** A National Level **24-hours Hackathon Competition** held at **SKSVMACET** college of Engineering and Technology, Laxmeshwar.
- Organized **“MELANZE – 22 & 23,”** A **National Level Techno-Cultural Fest** held at **SKSVMACET** college of Engineering and Technology, Laxmeshwar.
- Organized **“CODEFISTA 3.0,”** A National Hackathon Competition, at **SKSVMACET**.

PROJECTS

- **Real-Estate Website Front-End:** Developed the front-end of a real estate website. (<http://rrdev100.sanjeevtech.com>)
- **Projects on GitHub:** Various projects on HTML, CSS, JavaScript, and MERN Stack. (<https://github.com/Prathapmurari>)
- **Personal Portfolio Website:** Designed and developed a personal portfolio website to showcase projects, skills, and achievements. Features include a blog, project gallery, and contact form. (<https://itsprathapmurari.netlify.app/>)
- **Mobile Store Website:** Developed a mobile-optimized front-end website for a store, featuring an intuitive interface and seamless shopping experience. (<https://vmhmobiles.com/>)
- **Weather Dashboard:** Developed a weather dashboard fetching real-time weather data, displaying temperature, humidity, wind speed, and a five-day forecast for any location. (<https://github.com/Prathapmurari>)
- **Recipe Finder:** Create a recipe search app with filters for ingredients, meal type, and dietary restrictions. (<https://github.com/Prathapmurari>)
